Please rename the game in: Refundainment. Been viewing this game since it was .99 cents a couple days ago.

Here's my review now that's released in it's little Stage.

- GAMEPLAY - 1/10.

Can't even play the game, all glitchy, everything. Unexplainable

- POTENTIAL - 7/10.

Has the potential to be an amazing rap simulator.

- FREE PLAYING - 1/10.

Just unable to select your character, name, nothing. Just petty.

OVERALL RATING: Not recommended, no.

Please work a LOT on this game!
